

WEEKEND SPECIALS!

Torrance High PTA Meets New Principal

Stan Roberts the new principal of Torrance Elementary School was introduced to the executive board at the monthly meeting April 8.

Roberts is well known in Torrance due to his earlier association with the local YMCA. Formerly vice principal at Casimir Elementary School, he takes over the position vacated by the transfer of D. Boone Kirks to Meadow Park School. Kirks, with Torrance Elementary for the past six years, was the guest of honor at a PTA sponsored teachers luncheon last week at the school.

Mrs. James McClure, president announces the next PTA meeting will be held April 16 at 6:30 p.m. with a Patio Pot Luck dinner. The school band under the direction of Neil Short will play several numbers and a demonstration of scuba diving will be given by Miss Claire Overfelt.

Child Classes at McMaster Park

A number of openings exist in the Tuesday morning Child Observation class held at McMaster Park, 174th St. and Yukon Ave., Victor Kilburn, principal of the Torrance Evening High School, announced today. This Adult Education class is for mothers and their children ages two and one-half to five.

On the adult level, mothers learn through discussion and work with the children how better to understand what makes their pre-schoolers tick, aiming for strengthening family bonds. During the first semester mothers used role-playing, for example, to evaluate their progress in understanding their children's progress in physical and emotional growth. They also planned and executed a Christmas party for their children, stressing fun with little effort and even less cost.

Officers said the truck was operated by Russell Aaron Huppert, 51, of Norwalk.

ample, to evaluate their progress in understanding their children's progress in physical and emotional growth. They also planned and executed a Christmas party for their children, stressing fun with little effort and even less cost.
